

Mustang® Maxx Insecticide & Steward® EC Insecticide Alfalfa Assurance Program

An early application of Mustang® Maxx insecticide or Steward® EC insecticide in alfalfa for control of weevils followed by a later application of Steward EC insecticide with residual control is a best practice for effective control in first cutting alfalfa hay.

When one of the following combinations of treatments are applied within the labeled timing and a third application is required prior to making the first cutting due to economical infestation of weevil – such determination shall be made solely by an FMC representative or an FMC authorized agent. FMC will cover up to \$4.00/A for the third treatment.

Qualifying Product	Assurance Benefit
Steward EC insecticide 5.3 oz./A followed by Steward EC insecticide 6 fl. oz./A	Up to \$4.00/A
Mustang Maxx insecticide 4 fl. oz./A followed by Steward EC insecticide 6 oz./A

Mustang® Maxx Insecticide & Steward® EC Insecticide Alfalfa Respray Assurance Program

Program Rules & Conditions:

1. FMC reserves the right to change any or all features of this program at any time.
2. Assurance benefit is for product costs only. Application and other related costs are excluded from assurance payments.
3. An authorized FMC representative must be notified of a claim within four days of identifying a problem. FMC must have a reasonable opportunity to inspect prior to any additional product applications. The authorized FMC representative must confirm inadequate product performance.
4. Proof of purchase is required. Only FMC branded products purchased from FMC authorized distributors and/or retailers and reported by Data Dimensions are eligible for payment under this program.
5. Only product purchased for resale to growers is eligible for payment under the terms of this program.
6. FMC reserves the right to audit all claims. Misreported sales of any type are a clear violation of this program and will be subject to audit and possible forfeiture of any and all program benefits.
7. To qualify, growers must contact their FMC representative prior to the respray being needed.
8. FMC is in no way liable or responsible for any grower failure to pay the retailer.

To learn more, visit FMCCrop.com, call your local FMC representative or our customer service center at 800-346-0833.
