# 2020-2021 3RIVE 3D® Application System Program

**Applicator Commitment Period:** July 1, 2020 – February 28, 2021  
**Product Purchase Commitment Period:** October 1, 2020 – September 30, 2021  
**Program Geography:** Continental USA  
**Report Qualifying Product Purchases:** By the Star Retailer reporting deadline (October 7, 2021)

**Program Rules & Conditions:**

1. FMC reserves the right to change any or all features of this program at any time.
2. FMC reserves the right to audit all claims.
3. Misreported sales of any type are a clear violation of this program and will be subject to audit and possible forfeiture of all program benefits.
4. Program subject to 3RIVE 3D® application system availability.
5. Proof of product purchase is required. Purchases must be from an FMC authorized distributor or retailer and will be validated by sales reporting data.
6. Authorized products only. Only products purchased for resale to growers are eligible for this program.
7. Only FMC brand 3RIVE 3D formulated products may be used in the 3RIVE 3D application system. Any unauthorized products including other formulated chemistries, crop nutritional products and other tank additives used in the 3RIVE 3D application system will void any Product Assurance Programs and application system warranty. Grower assumes all risk.
8. To qualify, growers must complete, sign and submit the 3RIVE 3D Application System Grower Commitment Form to their local FMC representative no later than **February 28, 2021**.
9. Purchases of FMC brand products must be reported by retailers by the Star Retailer Program reporting deadline, October 7, 2021, for the 2021 season.
10. Failure to purchase and report purchases of minimum qualifying volumes of FMC brand qualifying products by **the reporting deadline each year until the volume commitment is met** will result in an invoice to the grower for one-third of the retail value of the 3RIVE 3D application system. Retail value is defined in the table below.

3RIVE 3D Application System Retail Value						
# Row Units	12-row	16-row	24-row	32-row	36-row	48-row
Retail Value	\$17,400	\$21,600	\$26,300	\$32,000	\$32,600	\$38,200

11. Grower takes ownership of and title and risk of loss to the 3RIVE 3D application system upon delivery. Grower is obligated to purchase minimum volumes of qualifying products for each application system over a maximum three-year period to earn the total retail value of the 3RIVE 3D application system.
12. The 3RIVE 3D application system will be delivered to the farm in a standard configuration to match the planter as specified on the 3RIVE 3D Application System Grower Commitment Form. Incomplete information may result in improper application system configuration. Any parts or modifications required to fit the application system to the planter are the responsibility of the grower and not included in this program.
13. Grower is responsible for installation or all installation costs if performed by a third party unless additional program participation requirements defined above are met.
14. This program does not constitute a service agreement. Grower is responsible for annual maintenance, non-warranty replacement parts, system upgrades and any other non-standard applicator equipment.
